

Personal & Social Education

Pupils have one period per week of PSE Time with their Pastoral Care teacher.

The aims of these lessons include:

building up their self-confidence
building up their self-esteem
increasing their self-awareness

This is done by looking at a series of short topics which cover the following issues:

'Getting to Know' - about their classmates, the school and the staff

'Study Skills' - homework, neat presentation and note-making

'Health Education' - smoking and solvent abuse

'Sex Education' - issues relating to puberty

'Careers' - some careers games

Bullying

Citizenship

Record of Progress

Use is made of homework planners not only to record homework but also to set targets and record achievements.
