

Dear Parents

The purpose of this booklet is to give you a brief introduction to the courses your son or daughter will be following this session and some indication of when important assessments will take place. We hope that this will help you to support your young person with their studies. Also included is an explanation of our approach to homework and some advice on how you might help.

If you would like further information or clarification, please do not hesitate to contact me.

Jean Ward  
Depute Head Teacher (Acting)  
Year Head S1/2
