

## **Music**

The S2 course concentrates on guitar, drumkit and keyboard performance. It is usually taught in ten week blocks.

**Guitar:** learning to play and strum approximately 10 - 12 chords  
playing along with popular tunes

**Drumkit:** learning to play several styles, using whole drumkit, with fills

**Keyboard:** working at individual pace  
learning to play pieces with a single fingered accompaniment  
using recording facilities for inventing

**Garage Band:** working in small groups with ICT to invent using samples of music.

Group Reference - using the skills gained on guitar, drumkit & keyboard we play group arrangements of pieces of music.

### **Assessment**

Performance is assessed at the end of each block. Listening is assessed in late January.
