

Religious and Moral Education

In S2 we continue to explore:

- What is religion?
- What is morality?
- What is philosophy?

Topic areas include:

- ❖ What is belief?
- ❖ Code breaking/symbols
- ❖ Beliefs about God
- ❖ What happens when we die?
- ❖ Authority
- ❖ What does it mean to be human

Throughout the work, pupils are encouraged to reflect on their own responses to religious, moral and social issues.

The department's website (www.kgsorkney.co.uk/re) includes links to a number of useful sites, together with a variety of games and puzzles.

Assessment

There is an assessment activity at the end of each topic.
